Mr. Matt Kennedy

Gainesville, GA 30506

Dear Mr. Kennedy:

This is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2016-000874), dated June 14, 2016, in which you requested the following:

“Regarding Contract # GS-07F-0003V and Contract # GS-07F-9327S I Would like the following information regarding any purchases and related details that have been made under GSA procurement (all branches) for the below reference SIN #'s and Mfg Part #'s: Contract GS-07F-0003V Special Item #'s 384 9 Mfg Part # 121-000; 120-003; 120-004; 120-005; 101-000; PTC-5000; PTCW-5004; PTCW-5006; and PTCW-5008; Contract GS-07F-9327S Special Item #,s 384 9 and 302 15 Mfg Part # SP20; 300SS; 450SS and 700SS; “

With a further clarification via email on June 27, 2016, you stated:

“The specific time period / date range for Contract GS07F9327S and SIN #'s 384 9 & 384 4 are Fiscal Years 2012, 2013, 2014, 2015 & 2016. The specific time period / date range for Contract GS07F0003V and SIN # 384 9 & 384 4 is Fiscal Years 2015 and 2016. In talking to the GSA office it is my understanding that I will receive copies of the transactions for these contracts and date ranges, and if the prices must be removed / hidden that is fine and I would just like to see the other details such as quantity purchased, item descriptions (and if possible Manufacturer Part number). To clarify further I am not requesting copies of terms and conditions but mainly the transaction description of items purchased, quantity purchased (and if indicated the manufacturer part numbers). Thus, if a transaction document is 20 pages long but the first 1 or 2 pages provide the product descriptions, quantity purchased and mfg part number, then I only need copies of the first couple pages.”

In response to your request, GSA does not have access to nor does it keep any files relating to purchase details by Manufacturer Part Numbers. Neither GSA Schedule contract holders nor GSA Schedule customers are required to report purchase information to the GSA at the task order or line item level.

Since the agency does not have any records within the scope of your request, this does not constitute a denial of records. You have the right to appeal the adequacy of our search. To do so, you must write, within 120 days of your receipt of this letter, to the following address:

U.S. General Services Administration
FOIA Requester Service Center (H1F)
1800 F St. NW, Room 7300
Washington, DC 20405

Your appeal must be in writing and should contain a brief statement of the reasons why you believe GSA should have the requested information. Enclose a copy of your initial request and a copy of this letter. Both the appeal letter and the envelope should be marked prominently, "Freedom of Information Act Appeal."

This completes our action on this request. Should you have any questions concerning this matter, please feel free to contact Mr. Stephen Nieswiadomy, Contracting Officer at 817-850-8378 or by email at stephen.nieswiadomy@gsa.gov.

Sincerely,

Travis S. Lewis
